

Come meet our State Representative for District 30!

invites you to come meet David Edwards at my home.

Every so often, new leaders step forward with fresh ideas for the challenges we face. David Edwards is one of those leaders. David was one of only two freshman members of the Oregon State House to earn a seat on the state's chief budget-writing committee. He's been recognized nationally for his efforts to help state agencies re-invent the way they do business. And he's helped bring thousands of jobs to Washington County. I am very excited to support David's re-election. Please come to my home for an hour to hear David's vision for Oregon and find out where he stands on the issues you care about.
